REPORT # Fire-2025-13**

AGENDA ITEM: 20250605_HFD_2024 BIENNIAL REPORT.docx

STAFF CONTACT: Jonathan Goulding, Fire Chief

RECOMMENDED ACTION: Receive a presentation of the Biannual Fire Services Report

DISCUSSION: Staff has compiled the annual report detailing key departmental statistics for the 2024 calendar year. This report provides a comprehensive overview of call volume data, both at the department-wide level and broken down by individual jurisdictions.

In addition to operational activity, the report highlights departmental efforts in training, fire prevention, and community risk reduction. These sections showcase the department's ongoing commitment to professional development, proactive safety measures, and engagement with the communities we serve. This report is intended to inform of the department's performance, accomplishments, and areas of focus over the past year.
